

Fabulous 4th of July

There will be Music, Food, and Fireworks....a good time for the entire family! Bring your own food and BBQ, or try one of our tasty food vendors.

Music begins at 7pm with local bands and the headliner begins at 9pm. You won't want to miss out on this year's fantastic bands, not to mention, the best seats in the house for the fireworks at dark.

Don't forget your lawn chair or blanket, and a flashlight to help when leaving the show.

The fireworks can be viewed and enjoyed from both sides of the Skagit River.
